

STRESS CONTAINER

What's In Yours?

Write down within the columns all the stressful things that are in your mind regarding Home, Work and Situations, these are all your Stressors;

		Home		Work		Situations	
Once you have written down as many stressors that you can think of, try answering the following questions;							
	1. Is there evidence to support your feelings over the stressors?						
	2. What can you change, manage and is within your control?						
	2.	What can you change, ma	nage a	ara is within your control.			
	3.	What cant you change and	l as su	ch, need to find a way to accept?	•		
	4. Can you prioritise them and set timelines for when you will act on the top three?						
	5.	Who can you ask for help.	, will y	you ask for help, can you accept	that we	e all need support from others in l	life?
			•			••	

6. Do you have any tools, techniques and coping strategies to assist you in managing your stressors, if not,

where can you learn some?
